Quick Review

Many stories teach a lesson. This lesson is called the moral. To find it, think about what the characters learn by the end of the story.

PART 1 — READ

Read the passage. Then answer the questions.

The Ant and the Lazy Grasshopper

All summer long, the little ant worked hard. She carried bits of food to her home, one piece at a time. The grasshopper hopped in the grass and played his fiddle. He laughed at the ant. He said, 'Why work? Come and play with me!'

The ant kept working. She saved food for the cold days. The grasshopper did not save anything. He sang and played all day in the warm sun.

Soon winter came. Snow covered the ground, and there was no food to find. The cold grasshopper was hungry. The ant had plenty of food in her warm home. From that day on, the grasshopper learned to plan ahead.
