Points of View of Characters

Quick Review

Different characters can see the same thing in different ways. Their thoughts and feelings are their point of view. When you read aloud, use a different voice for each character.

PART 1 — READ

Read the passage. Then answer the questions.

The Last Cookie

There was one cookie left on the plate. Rosa and her brother Theo both saw it at the same time. 'That cookie is mine,' said Rosa. 'I helped Mom bake them, so I should get it.'

Theo shook his head. 'No, the cookie should be mine,' he said. 'You ate the first cookie. I have not had one yet. It is only fair that I get the last one.'

Mom came in and heard them. 'I have a better idea,' she said with a smile. She broke the cookie into two equal pieces. Rosa and Theo each took half. Now both children were happy, and the cookie problem was solved.
