Two Stories About Frog

Story 1 — Frog at the Pond. Frog wanted to find the biggest lily pad. He hopped to the far side of the pond, even though his friends warned him about loud splashes. He found a giant pad, but a big fish came up and almost ate him. Frog hopped home and decided that smaller lily pads were just fine.

Story 2 — Frog in the Garden. Frog wanted to find the tastiest bug. He hopped past the safe rocks to the deep grass, even though his friends warned him. A garden snake popped out, and Frog had to jump fast to get away. Back at home, Frog said small bugs near the rocks tasted just fine.
