## Quick Review

When two stories have the same characters or theme, look for what is the **SAME** and what is **DIFFERENT**. Compare the **SETTING** (where), the **PROBLEM**, and the **LESSON**.

### PART 1 — READ

Read the passage. Then answer the questions.

## Two Stories About Frog

**Story 1 — Frog at the Pond.** Frog wanted to find the biggest lily pad. He hopped to the far side of the pond, even though his friends warned him about loud splashes. He found a giant pad, but a big fish came up and almost ate him. Frog hopped home and decided that smaller lily pads were just fine.

**Story 2 — Frog in the Garden.** Frog wanted to find the tastiest bug. He hopped past the safe rocks to the deep grass, even though his friends warned him. A garden snake popped out, and Frog had to jump fast to get away. Back at home, Frog said small bugs near the rocks tasted just fine.

Explanations	
<b>1. C</b>	Both stories are about Frog.
<b>2. B</b>	Different places, same character.
<b>3. B</b>	Both stories have Frog reaching too far and meeting danger.
<b>4. B</b>	Both stories end with Frog choosing the small / safe option. A is the opposite of the lesson; C is partly true but the stories actually show Frog learning AFTER ignoring friends; D is not in either story.
<b>5. C</b>	The dangers differ even though the pattern is the same.
<b>6. B</b>	Both passages mention that his friends warned him.
<b>7.</b>	<b>Answer:</b> Example: the place (pond vs. garden), what Frog is looking for (lily pad vs. bug), the danger (fish vs. snake). Any clear difference between the two stories.
<b>8.</b>	<b>Answer:</b> Example: Frog is the main character. Frog ignores warnings. Frog escapes danger. Frog decides small is fine at the end. Any clear similarity between the two stories.
<b>9. A</b>	Same character + same theme + different settings is a way to teach a lesson twice.
<b>10. A</b>	By the end of each story, Frog is more careful.
