

Point of View in Stories

Name: _____

Date: _____

Score: _____ / 10

Quick Review

Your point of view is what YOU think. A story has its own point of view too — sometimes it is told by a character (using “I” / “me”) and sometimes by a narrator from outside. Compare what you think to what the character or narrator thinks.

PART 1 — READ

Read the passage. Then answer the questions.

Pancake Surprise

I love pancakes more than anything in the world. So when Mom said, “Let’s make breakfast together,” I jumped up and grabbed the mixing bowl. I was sure pancakes were coming.

Mom smiled and pulled out eggs and bread. “We’re making French toast,” she said. I tried to hide my frown. French toast is okay, but it is not pancakes.

After my first bite, I was surprised. Mom’s French toast was warm, sweet, and golden brown. By the end of breakfast, I had eaten three pieces and asked for the recipe. Maybe French toast wasn’t so bad after all.
