---	---

Explanations	
1. B	ac-tion = two syllables. -tion is its own syllable.
2. A	Nation = na + tion. Natural ends in -al; narrow does not have -tion; nation's is a possessive form.
3. B	Readable means "able to be read." The other meanings come from different word parts.
4. A	-ous means "full of." Famous = full of fame. The others come from different roots.
5. B	Conclusion ends with -sion. -tion is in words like "action"; -able/-ible are different endings.
6. B	After "into" we usually use a noun. -tion turns the verb celebrate into the noun celebration.
7. B	-ous = full of. Danger + -ous = dangerous. The others are not real words.
8. direction	Direct + -ion = direction. The new word is a noun.
9. C	Readable = able to be read. The others are different forms of the word.
10. B	-ible = able to be. Visible = able to be seen. The other options confuse meanings of word parts.
11. B	Marvelous ends in -ous. The others use English suffixes (-ing, -est) or no suffix.
12. action	Act + -ion = action, a noun meaning the thing done.
